

Woo-Hoo! You've found Ms Pupetti's list of shapes!!

2D Shapes	3D Shapes
Triangle	Cube
Hexagon	Sphere
Square	Square based pyramid
Octagon	Triangle based Pyramid
Oval	Cone
Decagon	Triangular Prism
Semi circle/Arc	Rectangular Prism

The assigned activity: Shape scramble. On a fresh page in your maths book write the title 'Shape Scramble'. Set a timer for 10 minutes and draw as many 2D and 3D shapes you can think of. Use the grids to help draw accurate shapes. Each shape must be labelled. 2D shapes are worth 2 points each, 3D shapes are worth 3 points each, and if you got a shape that I do not have on my list, that is worth 5 points (and 5 points only) - so be sure to check in!

- ✓ All shapes must be correctly drawn and labelled to be counted.
- ✓ Below is a list of some shapes for reference and correction.
- ✓ *(Will award 10 points for 'equilateral triangle', 10 points for 'isosceles triangle').

NAME _____ DATE _____

LIST OF GEOMETRIC SHAPES 3D

Tetrahedron (Triangular pyramid)	Square pyramid (Square-based pyramid)	Hexagonal pyramid
Cube	Cuboid	Triangular prism
Octahedron	Pentagonal prism	Hexagonal prism
Dodecahedron	Sphere	Ellipsoid
Icosahedron	Cone	Cylinder
