This permission form outlines some of the school programs and activities.  
 As a parent, you have the right to withdraw or limit your child's participation at any time.

### 1. LOCAL EXCURSIONS:

These are minor, no cost excursions within the township. You will always receive notice of these excursions through the newsletter or by a specific note sent home.

Parents who do not wish their child to participate in a specific excursion are asked to contact the school expressing their wishes.

All other excursions, camps and swimming will be subject to your specific approval before your child can take part.

During the course of the year children's work or personal photographs may be published in school newsletters, local or state newspapers, or appear on television. Please note that first names will only be used. Our newsletters are also uploaded onto our website and we occasionally post photos (no names) onto our Facebook page. Parents have the right to withdraw permission for this to take place. If you agree to have your child's work or photograph published now, but the circumstances change during the year, please notify your child's class teacher immediately.

Publication	
Our school communicates and acknowledges students' achievements and curriculum activities both within the school and the wider community (e.g. web page, newsletter posted on website, newspaper articles, community newsletters). Some parents/carers prefer this not to occur and the school <b>endeavours</b> to comply with such requests.
